

EXTENDED MAJOR REVIEW OF PROGRESS

When provisional status has been extended, a further Major Review of Progress at the end of the extended period will recommend confirmation of candidature, termination, or conversion to a Master's enrolment.

MINIMUM REQUIREMENTS FOR THE CONFIRMATION OF CANDIDATURE

Confirmation of candidature requires at a minimum:

- Attendance at the Induction Program organised by the Adelaide Graduate Centre;
- Satisfactory completion of the Core Component of the Structured Program including:
 - participation in a School/Discipline Induction;
 - completion of the Minimum Resources Proforma;
 - regular attendance of the School/Discipline Seminar Program;
 - the completion of a research proposal and (normally) its presentation at a School/Discipline seminar/workshop;
 - and for international students (who have not been granted an exemption), participation in the Integrated Bridging Program (IBP).
- Satisfactory progress during the provisional enrolment period as determined by the Head, Postgraduate Coordinator and supervisory panel.

UNSATISFACTORY PROGRESS

Where the Head of School/Discipline, Postgraduate Co-ordinator and supervisory panel deem that the student has failed to satisfy one or more of the above criteria, conversion to the appropriate Master or termination of candidature is to be recommended.

Note: It is expected that unsatisfactory progress would have been discussed with the student and attempts made to address the issue(s) prior to the (further) Major Review. Unsatisfactory progress should be documented, particularly on occasions where progress is formally reviewed eg during completion of the Core Component of the Structured Program and Annual Review of Progress forms.
