Group of Eight**

Australia's leading
research-intensive
universities

**Ranked #79
in the world**

in the 2027 QS World
University Rankings

Tirkangkaku - Place of Learning

Tirkangkaku is the Aboriginal name bestowed upon Adelaide University by the Kaurna People.

Tirkangkaku means "Place of Learning" and is a gift representing 65,000 years of continuous discovery.

In Kaurna culture, learning is never passive – it's active and transformative.

Tirkangkaku is a place where all knowledge systems can come together and learn from each other. A place where the world's oldest living culture shapes cutting-edge discovery.

A place where we are creating the future, while honouring the past.

From our Vice-Chancellor

Welcome to Adelaide University where bright futures are made. We are a distinctive Group of Eight university, in the global top 100, that bridges academic excellence with expanded and extraordinary real-world opportunities for modern learners. A place for progress, we deliver contemporary teaching and research, linked to industry and the latest technologies, with a unique blend of programs that will give you an exceptional edge.

Professor Nicola Phillips
Vice Chancellor and President

Launch your future

Adelaide University is Australia's university for the future ranked in the global top 100.*

**Ranked 79, 2027 QS World University Rankings.*

We are transforming higher education by combining face-to-face learning with advanced digital technologies to create a flexible, student-centred experience. Degrees are designed to be stackable and personalised, supported by digital learning, industry partnerships and extensive work-integrated opportunities.

The Common Core courses provide interdisciplinary skills that employers value – ensuring you will graduate with real-world knowledge and experience.

Across all programs Adelaide University fosters strong graduate qualities, embeds First Nations perspectives and provides equity-focused support so every student can succeed.

Go8 member

We are part of Australia's elite research-intensive university group.

Australia's most connected university

Building on our 7,000 strong partnerships with industry and collaborators.

7,000

Real-world experience

Work-integrated learning is embedded across all programs, giving you hands-on opportunities.

Equity and inclusion

We champion inclusive education through First Nations Knowledges and equity-focused pathways.

Transformative and flexible education

Australia's most accessible, contemporary and future-focused teaching and learning experience.

The Adelaide Attainment Model

Adelaide University is redefining the future of higher education in Australia, by combining world-class teaching with cutting-edge digital technology.

You'll enjoy flexible, connected learning experiences that extend beyond the classroom – working with industry leaders on real-world projects that build the skills and confidence employers value. More than a degree, an Adelaide University education prepares you to think critically, act ethically and create global impact.

Stackable degree structures

Our degree structures allow multiple entry pathways and transition points, creating individual and personalised study journeys. You can easily transition between undergraduate programs, and we offer a range of innovative options to extend your undergraduate studies into postgraduate pathways.

Digitally rich learning environment

At Adelaide University, digital technology is not just a tool for delivering content – it provides instant content delivery to support active learning, collaboration, and engagement, enhancing the accessibility and personalisation of our teaching and learning.

Industry informed curriculum

Build your professional network as you study. At Adelaide University, our curriculum is developed in collaboration with over 7,000 industry partners, including leading research collaborators. This ensures the skills you gain are current, industry-aligned and informed by cutting-edge research – preparing you to become a highly employable graduate in a global workforce.

Community embedded learning

Work-integrated learning – such as placements and clinics – is a key part of our education and is embedded in every program we teach. This hands-on experience provides practical, applied knowledge, and helps students develop a professional network, so you graduate with strong industry experience and contacts.

Depending on your chosen degree, work-integrated learning can include:

- **Internships and placements:** Get hands-on experience by working with real organisations in your field as part of your degree.
- **Industry projects:** Collaborate on real-world projects that solve genuine industry or community challenges.
- **Simulation:** Build practical skills through realistic workplace simulations or online experiences.

Interdisciplinary understanding: The Common Core

The Common Core is a set of interdisciplinary courses designed to equip Adelaide University graduates with the transferable skills most valued by employers. These courses encourage collaboration, broaden your perspective and show how different fields connect with and impact society. You can choose from six knowledge areas, engaging with peers across the University to enrich your learning experience.

These areas include:

- Artificial intelligence
- Data knowledges
- Entrepreneurship and design thinking
- Ethical knowledges
- Intercultural understanding
- First nations knowledges.

The Adelaide Academy

The Adelaide Academy is a future-focused initiative designed to offer high-potential and high performing students the opportunity to take their studies to the next level. As Adelaide University establishes itself, the Academy will grow to offer a suite of enriched learning experiences that go beyond the core curriculum, including:

- Advanced discipline-based coursework
- Industry engagements and internships
- Research projects
- Interdisciplinary workshops and challenges.

The Academy is being developed to recognise and support academic excellence and ambition and will evolve over time to reflect the needs of high-performing students and the expectations of a competitive global workforce.

Fostering global citizens

At Adelaide University, our graduate qualities go beyond academic knowledge – they shape the graduate you become. Embedded across our teaching, these values and skills help you develop into a confident, capable and adaptable professional, fully prepared to navigate and contribute to a complex, global future.

You will graduate as:

- **A lifelong learner**, with enduring passion for personal and professional development.
- **An ethical leader**, who does what is right over what is easy.
- **A strategic problem solver**, who approaches challenges with analytical rigour and creative insight.
- **A global citizen**, with respect for your role in the world and your capacity to enact positive change.
- **A resilient thinker**, able to succeed by harnessing critical, creative and adaptable thinking.
- **A trusted communicator**, who can articulate ideas effectively and inspire change.

Our campuses

Adelaide University proudly holds the largest campus footprint in South Australia, with metropolitan and regional campuses as well as connections to rural, and transnational locations and pathway colleges.

Visit our campuses

Our campuses offer dynamic learning environments where you will have access to modern, purpose-built facilities, as well as industry-standard tools and technologies, preparing you for your future career.

You will have access to a range of student support and wellbeing services, along with shared spaces open to the public, including galleries, museums, cafés and eateries.

Adelaide - the perfect city for students

World-class facilities

Our purpose-built facilities are modern and equipped with industry standard tools and technologies, helping you prepare for career success.

You will have access to some of the best learning areas, including simulated spaces that replicate financial trading rooms, operating theatres, dental clinics, microbreweries, and immersive 3D environments.

EXTERRES Laboratory

The Extraterrestrial Environmental Simulation Laboratory is the first of its kind in Australia, enabling students to undertake real-world space technology and robotics projects.

Mechanical Engineering Workshop

A collaborative teaching space where engineering students can explore full-cycle manufacturing processes.

Plant Accelerator

A purpose-built 4,000sqm facility where researchers use advanced technologies to deliver benefits to Australia's agriculture and horticulture industries.

Premier financial trading spaces

Our Iress Trading Room and Financial Markets Lab are loaded with the industry software students need to trade, build portfolios and analyse real-time global markets.

Flight simulators

Two on-campus airline-standard flight simulators emulating the B737 and A320 aircraft types.

Veterinary hospitals and clinics

The Roseworthy Veterinary Hospital provides veterinary science students with hands-on experience under the supervision of industry experts.

- **Doctor of Philosophy**
- **Master of Philosophy**
- **Master of Research**

Exceptional student experience

You will be part of a rich and engaging university community with opportunities to develop your employability, so you can help shape the future and thrive in a rapidly changing world.

Adelaide University will be home to a diverse global student community with a vibrant and inclusive student experience.

You will be empowered with the skills to transform yourself, your community and the world. Our holistic and integrated approach will ensure your educational experience is accessible and inclusive.

Your student experience will include:

- Industry connection for a relevant and real-world education to help you succeed in the workplace.
- Individual flexibility for your unique needs, learning preferences and personal goals.
- Intuitive and engaging digital experiences.
- A focus on place, culture and community, developing a global outlook while being enriched with Aboriginal Knowledges and perspectives.
- Supporting and empowering you to succeed on your own terms, no matter your background.

Our commitment to students

We are united in our commitment to empower you to become the best you can be. We will do this by:

- recognising every student as unique
- making our students feel welcome
- embedding and honouring student voices
- delivering equity in all that we do.

Student support

You will benefit from a wide range of support services and an active campus community designed to help you succeed both personally and academically.

There are countless opportunities to help you thrive, whether you are interested in joining clubs, participating in events, or accessing wellbeing resources.

Our student support services include:

Our career services will support you to define your own success and career aspirations through providing valuable employment preparation.

Our vibrant campus spaces will drive innovation and collaboration, helping you connect with other students, staff and the broader community.

We will offer a wide variety of clubs and societies for students, alumni and community members to join.

Discover Adelaide

Adelaide is one of the world's best student cities

Adelaide ranked #28, QS Best Student Cities 2025

As one of the world's most liveable cities, Adelaide is affordable and accessible. It is a city shaped by stories, the first of which were created by the Aboriginal Peoples of the Adelaide Plains, the Kurna people.

The city balances the best of urban living with beautiful natural landscapes and a close connection to South Australia's regions. Enjoy picturesque beaches such as Glenelg, long stretches of coastline in every direction, the rolling Adelaide Hills, famous wine regions, and the beauty of Kangaroo Island: there is always something nearby to explore.

With an evolving skyline, urban renewal and reimagined precincts that feature brilliant hospitality, cultural and sporting institutions, Adelaide is the perfect host city for national and international events. It supports a culture that embraces technological opportunities in education, energy, space, advanced manufacturing, food and wine, creative industries and health services. Adelaide is the perfect city for curious minds.

Meet some of Australia's famous animals at Cleland Wildlife Park, only 20 minutes from the city by car.

Fast facts	
Capital city of South Australia	
Metropolitan population	1.3 million
Language	English
Currency	AUD\$

Explore Glenelg, one of Adelaide's many beautiful beaches, only 30 minutes from the city centre by tram.

Image credit: StudyAdelaide

Adelaide is often described as the perfect home away from home – thanks to its diversity, strong sense of community and multicultural population.

Affordable living

Adelaide is cost effective compared to other cities, while having one of the highest standards of living. Below, you'll find a table that provides an indicative guide to the average cost of living in Adelaide.

Indicative living costs

Please note these costs are approximate and can vary depending on other factors such as the type of accommodation, internet or phone plan you choose.

Expense	Costs (\$AUD)
Accommodation	See page 25
Utilities (gas, electricity, water)	\$35 - \$50 per week
Groceries	\$90 - \$135 per week
Transport	approx. \$14.45 per week
Internet	\$60 - \$80 per month
Mobile phone plan	approx. \$10 - \$25 per week

Public transport

Adelaide has a number of free tram and bus services throughout the city centre. As an international student in Adelaide, you are also eligible for the same public transport discounts as local students - saving you hundreds of dollars each year.

Climate

Adelaide's climate is also enjoyable, with warm, dry summers and short, mild winters – and over 300 days of sunshine per year.

To discover more about Adelaide and South Australia as a destination please visit: southaustralia.com

Season	Months	Conditions	Temp
Summer	Dec – Feb	Mainly hot/dry	25 – 35°C
Autumn	Mar – May	Mainly dry	20 – 25°C
Winter	Jun – Aug	Cool and wet	10 – 15°C
Spring	Sept – Nov	Some rain	20 – 25°C

Enjoy the city vibe with great outdoor living and an impressive range of festivals.

StudyAdelaide offers great support to international students from arrival to graduation including:

- All the information you need to know when you first arrive like finding accommodation, managing your budget, and getting around.
- Free or low-cost social events where you can meet new friends and get to know the city.
- Help to find a part-time job while studying and programs to prepare you for your future career.

Sign up to the StudyAdelaide student newsletter to receive information on events and support available to make your time in Adelaide even more enjoyable.

More information for international students on studying, working and living in Adelaide, is available at studyadelaide.com

Accommodation

Adelaide is a great place to live – offering easy navigation and a variety of excellent accommodation options near each of our campuses. Consistently ranked one of the world's most liveable cities, it is also one of Australia's more affordable cities.

Adelaide has a variety of accommodation options to suit your budget and lifestyle.

Student accommodation

Average weekly costs
\$300 - \$600 (AUD)

With convenient locations, fully furnished rooms, inclusive fees, and a built-in community of like-minded students, you will have all the support you need for your academic journey.

Private rental accommodation

Average weekly costs
\$150 - \$300 (AUD)

This includes domestic residential properties available to rent, or individual bedrooms in established households offered as share accommodation. This option provides flexibility and independence, allowing you to choose a living arrangement that fits your lifestyle.

Homestay accommodation

Average weekly costs \$250 - \$510 (AUD)

Homestays involve living with a local family, couple or individual in their home. You will have your own bedroom and your host will provide meals and pastoral care, offering a supportive and immersive cultural experience.

Temporary accommodation

This can include hostels, hotels and serviced apartments. If you choose to book temporary accommodation, it's important that you make finding a long-term option a priority on arrival.

Accommodation support

Whether you are a prospective student, current student or even a family member of one of our students – our Accommodation Service can help you.

Our friendly team can:

- Provide local information, giving you a sense of what accommodation is available and how much it costs, so you can establish a realistic budget.
- Connect you to a range of long- and short-term housing opportunities, including student accommodation, private rentals, share accommodation and homestays.
- Support you to maintain suitable housing throughout your studies.

Under 18

If you are an international student visa holder under 18 years of age and will not be living with a parent, legal guardian or a nominated eligible relative, you must obtain University approval for your accommodation and welfare arrangements. This involves applying to and accepting a residence approved by Adelaide University for the duration of time you are under 18.

Contact us

Please contact our Accommodation Service with any questions relating to your accommodation in Adelaide.

Phone: +61 (08) 8313 4583, 24 hours a day, 7 days a week.

Transformational teaching and learning

Adelaide University is a place for lifelong learners, thanks to our comprehensive and contemporary curriculum. Our teaching approach is shaped by our partnerships with industry and we have built work-integrated learning into our degrees. Our learning practices are supported digitally while also being internationally connected and reflective of our research.

Please note: Adelaide University is working through relevant approvals for program accreditation ahead of students commencing at the institution in 2026. Please visit the relevant degree page on our website for updates at: adelaide.edu.au/study

Fields of study

Adelaide University will offer more than 400 degrees across a wide range of in-demand disciplines. Our comprehensive suite of degrees will produce employable graduates, from all walks of life, aligned to disciplines and jobs in future areas of demand, including:

Academic entry requirements

Discover the essential information you need to know about our entry requirements, how to apply and the scholarships on offer.

Please note these provide a general guide only and should be read in conjunction with the specific entry requirement information for the relevant degree page on our website at: adelaide.edu.au/study

Undergraduate degrees

For entry into undergraduate degrees, you will require either:

- an Australian Year 12 or equivalent international program;
- a recognised Foundation Studies program;
- a Kaplan International College Adelaide, Eynesbury, TAFE SA or other recognised tertiary pathway program.

For degree specific entry requirements, please visit the relevant degree page on our website.

Postgraduate degrees

For entry into postgraduate degrees, you will require either:

- an undergraduate degree or equivalent qualification to the required standard, from a recognised higher education institution in Australia or the international equivalent;
- the equivalent professional work experience.

For degree specific entry requirements, please visit the relevant degree page on our website.

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. Information about additional selection criteria can be found by referring to the relevant degree page on our website.

Australian Year 12 qualifications (Australia and offshore)

If you are completing an Australian Year 12 qualification, in Australia or offshore, the application process you must follow depends on when you expect to complete and receive your results.

For students completing in May/June, you must apply for Semester 2 via [StudyLink](#).

For students completing in December, you must apply through the South Australian Tertiary Admissions Centre (SATAC). Specific application open and closing dates are available at [satac.edu.au](#)

English requirements

International students from non-English speaking backgrounds must meet Adelaide University's minimum English language requirements to be admitted to a degree. You can demonstrate your level of English language proficiency by providing the results of an accepted English language test (e.g. IELTS, TOEFL, PTE) taken within the last two years prior to admission or an approved alternative.

English language entry requirements are specific to the degree you choose, and some degrees have higher English language requirements.

This means the exact level of English language proficiency will depend upon the degree you are applying to. Adelaide University degree pages list an English language requirement for admission. Please visit the relevant degree page on our website for more information.

adelaide.edu.au/study/international-students/how-to-apply/entry-requirements/

English Language Pathway - English Language Centre (ELC)

Adelaide University's English Language Centre (ELC) provides English language pathways to Adelaide University for students who do not meet the English language requirement for direct entry. ELC also offers a range of General English language programs, as well as short courses for international students and visiting groups.

Academic English Pathway: Pre-enrolment English Program

The Pre-enrolment English Program (PEP) is an academic English pathway for students who have not met their degree's minimum English language entry requirements. This is a direct-entry pathway into most degrees at Adelaide University. The length of the program depends on the applicant's English proficiency test score.

Students who successfully complete PEP at the required level do not need to sit another English test before entering their University degree. The PEP is offered in lengths of 10, 15, 20, 25, 30 and 35 weeks. For more information on PEP, visit: adelaide.edu.au/elc

Genuine Student (GS) requirement

The Genuine Student requirement is an Australian Government integrity measure that applies to all student visa applicants. It considers whether the individual circumstances of a student indicate that their intention is to stay in Australia specifically for study. All applicants for a student visa must be a genuine applicant for entry. Visit our website for further details.

Financial capacity requirement

The Australian Government must also be satisfied that you are able to financially support yourself and your accompanying family (if you have dependants) while you are studying. This means that you must be able to meet the cost of tuition fees, travel and your living expenses for the duration of your stay in Australia, and that you understand that you will not be able to ask the University to waive your tuition fees, or pay any of your costs while you are living in Australia.

For more details on how to apply as international student, please visit adelaide.edu.au/study/international-students/how-to-apply/entry-requirements/

Got a question?

How to apply

We are here to guide you through our application process.

Find the degree you wish to apply for and make sure you meet the following:

- Academic entry requirements
- English language requirements
- Genuine Student (GS) requirement
- Financial capacity requirement.

A non-refundable application fee of AUD\$150 applies for every application submitted to Adelaide University.

Please note application fees will not be charged for research degrees, 100% online programs, and non-award programs, such as Study Abroad and Exchange or standalone English Language Centre programs.

If you are not eligible for direct entry, you may be able to study with one of our pathway providers and receive a packaged offer to gain entry to Adelaide University. Take a look at the charts on pages 36 – 59 to explore some of our current degrees on offer. You can also visit our website for more information.

adelaide.edu.au/study

How to apply

Explore our degrees

Application cut-off dates

Please note that application cut-off dates vary by degree. Some degrees, including Medicine, Dentistry, Oral Health and Veterinary Bioscience, have earlier application closing dates. See our degree pages for more information and application deadlines.

STEP 1

>>>

Application

Apply through one of the University's official Education Agents, or via our online application system.

Please make sure you provide all supporting documentation at the time of application to avoid delays.

adelaide.edu.au/study/international-students/how-to-apply

Find an Education Agent

Visit our website for a full list of Education Agents and their contact details.

Depending on your country of citizenship, you may be required to apply through one of our Education Agents.

adelaide.edu.au/study/international-students/find-an-education-agent

STEP 2

>>>

Application assessment

All applications will be assessed and, if successful, you will receive your offer directly by email or via your official Education Agent. Successful applicants will receive the following:

- Offer of Admission
- Acceptance Form
- Terms and Conditions of Acceptance
- Payment and Refund Terms and Conditions
- Study Plan (if credit/advanced standing has been awarded).

STEP 3

>>>

Accept your offer

- Read and agree to all Terms and Conditions.
- Complete and sign your Acceptance Form.
- Arrange payment of your Acceptance Fee as per the information provided in your Offer of Admission. Your Acceptance Fee includes your First Tuition Payment, Overseas Student Health Cover (OSHC) and English language program fees (if applicable). Payment must be made via the International Application System.
- Provide a copy of the Personal Details and signature section of your passport.

You can find out more about how to accept your offer at: adelaide.edu.au/study/international-students/how-to-apply/accepting-your-offer

STEP 4

>>>

Confirmation of Enrolment

After receiving the completed acceptance documentation along with your First Tuition Payment and OSHC (if applicable), the University will send you, or your Education Agent, your Confirmation of Enrolment (CoE). You, or your Education Agent, will use the CoE to apply for your Australian student visa. If you hold an alternative visa which allows unlimited study rights and you do not require a CoE to apply for an Australian student visa, you can confirm this in your application.

<<<

STEP 6

Enrolment

Prior to Orientation, you will receive information about your University username and password. Once enrolments open, you will be able to log in to the University website and enrol.

<<<

STEP 5

Obtain an international student visa

You, or your Education Agent, should lodge a complete student visa application as soon as practical after receiving your CoE. If you applied through one of the University's official Education Agents, they will lodge your visa application on your behalf. If you do not have an Education Agent, you can apply online directly to the Department of Home Affairs. For more information visit: immi.homeaffairs.gov.au/check-twice-submit-once/student-visa

STEP 7

>>>

Prepare for departure

It is time to make travel arrangements and book your airport pickup and temporary accommodation if required. The University will offer a range of pre-departure support services to help you prepare for your Adelaide arrival. You can also consider your accommodation options by visiting: adelaide.edu.au/life-at-adelaide/accommodation

STEP 8

Arrive in Adelaide and attend Orientation

Make sure you plan to arrive in Adelaide in time to attend Orientation at Adelaide University. Participation in Orientation will help you get to know Adelaide and your new campus. You will also have the chance to meet staff and other students and make friends before commencing your studies.

We look forward to welcoming you to Adelaide University.

Scholarships

Adelaide University is committed to providing educational opportunities for international students by offering a range of scholarships.

A scholarship could be the incentive you need to launch your future with us, ensuring you are prepared to step forward with confidence toward your career goals.

We are here to support your studies and help you thrive at university
– become the best you can be with an Adelaide University scholarship.

Scholarship	Reduction	Description
Adelaide Academic Excellence Scholarship[^]	50%	The Adelaide Academic Excellence Scholarship recognises international students commencing undergraduate or postgraduate coursework degrees who have achieved outstanding academic performance in their previous studies. This scholarship is a prestigious, highly competitive award offering a 50% tuition fee reduction. There are limited places for students with a high distinction average or equivalent score as determined by the University.
Adelaide Emerging Leaders Award[~]	25%	The Adelaide Emerging Leaders Award supports international students commencing undergraduate or postgraduate coursework degrees who demonstrate leadership qualities through strong academic achievement. This scholarship offers a 25% tuition fee reduction and is automatically assessed and awarded to students with a distinction average or equivalent score as determined by the University.
Adelaide Merit Scholarship[~]	15%	The Adelaide Merit Scholarship supports international students commencing undergraduate or postgraduate coursework degrees who are committed to their academic achievement. This scholarship offers a 15% tuition fee reduction and is automatically assessed and awarded to students with a credit average or equivalent score as determined by the University.
Adelaide Global Alumni Scholarship[~]	10%	The Adelaide Global Alumni Scholarship supports international students who have previously studied at Adelaide University, the University of South Australia or the University of Adelaide and are commencing an undergraduate or postgraduate coursework degree. This scholarship offers a 10% tuition fee reduction and is automatically assessed and awarded to eligible students.
Adelaide Partner Award[~]	10%	The Adelaide Partner Award supports international students commencing undergraduate or postgraduate coursework degrees. This scholarship offers a 10% tuition fee reduction and is automatically assessed and awarded to students from an approved Adelaide University partner institution.

For more information and to explore the full terms and conditions for each scholarship, please visit:
adelaide.edu.au/study/scholarships

[^] To apply for this scholarship, you will need to complete an application form by the advertised closing date.
Applications are assessed by a panel and awarded based on merit.

[~] You will be automatically assessed when applying for an eligible undergraduate or postgraduate degree at Adelaide University.

^Q Quota applies		
¹ This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study		
[^] Indicative annual fees: Published fees are for international students starting in 2027. Fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.		
⁺ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.		

Important information
Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.
Non-tuition fees
In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees
Additional selection criteria
For some degrees, other selection criteria are considered in addition to academic qualifications. For example: - Music degrees require applicants to undertake an audition. - Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview. Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge
Note 1 SACE Stage 2 Mathematical Methods (or equivalent)
Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).
Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).
Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).
Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.
Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)
Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)
Note 8 High proficiency in written and spoken English
Note 9 SACE Stage 2 Biology and Physics (or equivalent)
Note 10 SACE Stage 2 Biology or equivalent
Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)
Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.
Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas: • 0.125 EFTSL Statistics and Research Methods; AND • 0.250 EFTSL Human Anatomy; AND • 0.250 EFTSL Human Physiology
Note 14 Prospective students should have entry level skills/ knowledge in 3D Animation, or broad entry level skills/ knowledge in visual effects.
Note 15 Prospective students should have entry level skills/ knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.
Note 16 Prospective students should have entry level skills/ knowledge in Creature Effects, or broad entry level skills/ knowledge in visual effects.
Note 17 Knowledge of mathematics is a good background for many courses in this program.
Note 18 Equivalent of first year university mathematics.
Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.
Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.
Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.
Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.
Note 24 Applicants must have: - a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND - a minimum of 3 years of full-time (or equivalent) professional experience.

^Q Quota applies

^I This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at [adelaide.edu.au/study](#)

[^] Indicative annual fees: Published fees are for international students starting in 2027. Fees will be available on the degree pages at [adelaide.edu.au/study](#) prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.

⁺ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.

[^] Some or all classes are delivered at the Rising Sun Pictures Studios in Adelaide. Please refer to the degree page for further details.

[^] July start date may be available to international students with credit on a case-by-case basis.

Academic International English Language Testing System (IELTS) scores

- ~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)
- / 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking
- > 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)
- \ 7.0 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)
- o 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)
- o 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)
- ^ 7.5 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)
- < 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: [adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees](#)

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: [adelaide.edu.au/study](#)

Prerequisites and Assumed knowledge

Note 1 SACE Stage 2 Mathematical Methods (or equivalent)

Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).

Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).

Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.

Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)

Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)

Note 8 High proficiency in written and spoken English

Note 9 SACE Stage 2 Biology and Physics (or equivalent)

Note 10 SACE Stage 2 Biology or equivalent

Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/ knowledge in 3D Animation, or broad entry level skills/ knowledge in visual effects.

Note 15 Prospective students should have entry level skills/ knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/ knowledge in Creature Effects, or broad entry level skills/ knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND

- a minimum of 3 years of full-time (or equivalent) professional experience.

^q Quota applies		
¹ This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study		
[^] Indicative annual fees: Published fees are for international students starting in 2027. Fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.		
⁺ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.		
Academic International English Language Testing System (IELTS) scores		
~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)		
/ 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking		
> 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)		
\ 7.0 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)		
o 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)		
◇ 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)		
˘ 7.5 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)		
< 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)		

Important information
Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.
Non-tuition fees
In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees
Additional selection criteria
For some degrees, other selection criteria are considered in addition to academic qualifications. For example:
- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.
Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study
Prerequisites and Assumed knowledge
Note 1 SACE Stage 2 Mathematical Methods (or equivalent)
Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).
Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).
Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).
Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.
Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)
Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)
Note 8 High proficiency in written and spoken English
Note 9 SACE Stage 2 Biology and Physics (or equivalent)
Note 10 SACE Stage 2 Biology or equivalent
Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.	Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.
Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas: • 0.125 EFTSL Statistics and Research Methods; AND • 0.250 EFTSL Human Anatomy; AND • 0.250 EFTSL Human Physiology	Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.
Note 14 Prospective students should have entry level skills/ knowledge in 3D Animation, or broad entry level skills/ knowledge in visual effects.	Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.
Note 15 Prospective students should have entry level skills/ knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.	Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.
Note 16 Prospective students should have entry level skills/ knowledge in Creature Effects, or broad entry level skills/ knowledge in visual effects.	Note 24 Applicants must have: - a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND - a minimum of 3 years of full-time (or equivalent) professional experience.
Note 17 Knowledge of mathematics is a good background for many courses in this program.	
Note 18 Equivalent of first year university mathematics.	
Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

		ˆ 7.5 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)
		< 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information
Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.
Non-tuition fees
In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees
Additional selection criteria
For some degrees, other selection criteria are considered in addition to academic qualifications. For example:
- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.
Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge
Note 1 SACE Stage 2 Mathematical Methods (or equivalent)
Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).
Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).
Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).
Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.
Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)
Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)
Note 8 High proficiency in written and spoken English
Note 9 SACE Stage 2 Biology and Physics (or equivalent)
Note 10 SACE Stage 2 Biology or equivalent
Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)
Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.
Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas: • 0.125 EFTSL Statistics and Research Methods; AND • 0.250 EFTSL Human Anatomy; AND • 0.250 EFTSL Human Physiology
Note 14 Prospective students should have entry level skills/ knowledge in 3D Animation, or broad entry level skills/ knowledge in visual effects.
Note 15 Prospective students should have entry level skills/ knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.
Note 16 Prospective students should have entry level skills/ knowledge in Creature Effects, or broad entry level skills/ knowledge in visual effects.
Note 17 Knowledge of mathematics is a good background for many courses in this program.
Note 18 Equivalent of first year university mathematics.
Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.
Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.
Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.
Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.
Note 24 Applicants must have: - a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND - a minimum of 3 years of full-time (or equivalent) professional experience.

^Q Quota applies		
[†] This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study		
[^] Indicative annual fees: Published fees are for international students starting in 2027. Fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.		
⁺ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.		

Important information
Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.
Non-tuition fees
In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees
Additional selection criteria
For some degrees, other selection criteria are considered in addition to academic qualifications. For example: - Music degrees require applicants to undertake an audition. - Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview. Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge
Note 1 SACE Stage 2 Mathematical Methods (or equivalent) Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent). Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent). Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent). Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas. Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent) Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent) Note 8 High proficiency in written and spoken English Note 9 SACE Stage 2 Biology and Physics (or equivalent) Note 10 SACE Stage 2 Biology or equivalent Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)
Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University. Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas: • 0.125 EFTSL Statistics and Research Methods; AND • 0.250 EFTSL Human Anatomy; AND • 0.250 EFTSL Human Physiology Note 14 Prospective students should have entry level skills/ knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects. Note 15 Prospective students should have entry level skills/ knowledge in Creature Effects, or broad entry level skills/ knowledge in visual effects. Note 16 Prospective students should have entry level skills/ knowledge in mathematics is a good background for many courses in this program. Note 18 Equivalent of first year university mathematics. Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required
Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met. Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University. Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent. Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media. Note 24 Applicants must have: - a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND - a minimum of 3 years of full-time (or equivalent) professional experience.

^Q Quota applies.

¹ This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study

[^] Indicative annual fees: Published fees are for international students starting in 2027. Fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.

+ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.

* Some or all classes are delivered at the Rising Sun Pictures Studios in Adelaide. Please refer to the degree page for further details.

^{*} July start date may be available to international students with credit on a case-by-case basis.

Academic International English Language Testing System (IELTS) scores

~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

/ 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking

> 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

\ 7.0 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

ˆ 7.5. Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

< 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.

- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge

Note 1 SACE Stage 2 Mathematical Methods (or equivalent)

Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).

Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).

Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.

Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)

Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)

Note 8 High proficiency in written and spoken English

Note 9 SACE Stage 2 Biology and Physics (or equivalent)

Note 10 SACE Stage 2 Biology or equivalent

Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/ knowledge in 3D Animation, or broad entry level skills/ knowledge in visual effects.

Note 15 Prospective students should have entry level skills/ knowledge in compositing and tracking, or broad entry level skills/ knowledge in visual effects.

Note 16 Prospective students should have entry level skills/ knowledge in Creature Effects, or broad entry level skills/ knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required.

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND

- a minimum of 3 years of full-time (or equivalent) professional experience.

Key

Campuses		Start dates	
AC	Adelaide City	Feb	Semester 1 (February)
M	Magill	Mar	Term 1 (March)
ML	Mawson Lakes	Jun	Term 2 (June)
RW	Roseworthy	Jul	Semester 2 (July)
WT	Waite	Aug	Term 3 (August)
		Nov	Term 4 (November)

- Symbols**
 - [°] Quota applies.
 - [‡] This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study
 - [^] Indicative annual fees: Published fees are for international students starting in 2027. Fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.
 - + Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.
 - * Some or all classes are delivered at the Rising Sun Pictures Studios in Adelaide. Please refer to the degree page for further details.
 - * July start date may be available to international students with credit on a case-by-case basis.

- Academic International English Language Testing System (IELTS) scores**
 - ~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)
 - / 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking
 - > 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)
 - \ 7.0 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)
 - 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)
 - ◇ 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)
 - ` 7.5. Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)
 - < 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

- Prerequisites and Assumed knowledge**
 - Note 1** SACE Stage 2 Mathematical Methods (or equivalent)
 - Note 2** Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

 - a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND
 - a minimum of 3 years of full-time (or equivalent) professional experience.

Global opportunities

At Adelaide University, we pride ourselves on fostering a truly global educational experience. With a strong focus on international engagement, you will have opportunities to develop as global citizens through your learning experiences.

We offer a range of opportunities, including:

- A comprehensive and innovative suite of learning abroad programs – including exchange, study tours, international internships and short programs for current students looking to study overseas during their degree. We also welcome you to experience Australia while studying for one or two semesters at Adelaide University through our study abroad and exchange programs.
- A diverse range of articulation arrangements with partners around the world, ensuring you can seamlessly continue your studies with us and benefit from a valued and recognised curriculum. Whether you are transitioning from another institution or looking to expand your academic horizons, our international articulation agreements provide a pathway to success, ensuring that you receive credit for your previous studies and your educational journey is uninterrupted.
- The opportunity to access a world-class education, earn an internationally recognised degree, and connect with expert academic staff - all with the convenience of studying in your home country at an Adelaide University teaching location.
- A program that welcomes and supports students who are sponsored by the Australian Government, their home government, employer or university to study with us. As a sponsored student at Adelaide University you will gain an incredible study experience, as well as the chance to build relationships and networks that will last a lifetime. Every sponsored student helps foster new and stronger relationships between Australia and our neighbouring countries.
