

Adelaide University

Undergraduate and Postgraduate coursework

Tirkangkaku - Place of Learning

Tirkangkaku is the Aboriginal name bestowed upon Adelaide University by the Kurna People.

Tirkangkaku means "Place of Learning" and is a gift representing 65,000 years of continuous discovery.

In Kurna culture, learning is never passive – it's active and transformative.

Tirkangkaku is a place where all knowledge systems can come together and learn from each other. A place where the world's oldest living culture shapes cutting-edge discovery.

A place where we are creating the future, while honouring the past.

Launch your future

Ranked 
79
in the world*

We are transforming higher education by combining face-to-face learning with advanced digital technologies to create a flexible, student-centred experience. Degrees are designed to be stackable and personalised, supported by digital learning, industry partnerships and extensive work-integrated opportunities.

The Common Core courses provide interdisciplinary skills that employers value – ensuring you will graduate with real-world knowledge and experience.

Across all programs Adelaide University fosters strong graduate qualities, embeds First Nations perspectives and provides equity-focused support so every student can succeed.

Go8 member

We are part of Australia's elite research-intensive university group.

Australia's most connected university

Building on our 7,000 strong partnerships with industry and collaborators.

7,000

Real-world experience

Work-integrated learning is embedded across all programs, giving you hands-on opportunities.

Equity and inclusion

We champion inclusive education through First Nations Knowledges and equity-focused pathways.

Transformative and flexible education

Australia's most accessible, contemporary and future-focused teaching and learning experience.

*Ranked 79, QS World University Rankings 2027.

Academic entry requirements

Discover the essential information you need to know about our entry requirements, how to apply and the scholarships on offer.

Please note these provide a general guide only and should be read in conjunction with the specific entry requirement information for the relevant degree page on our website at: adelaide.edu.au/study

Undergraduate degrees

For entry into undergraduate degrees, you will require either:

- an Australian Year 12 or equivalent international program;
- a recognised Foundation Studies program;
- a Kaplan International College Adelaide, Eynesbury, TAFE SA or other recognised tertiary pathway program.

For degree specific entry requirements, please visit the relevant degree page on our website.

Postgraduate degrees

For entry into postgraduate degrees, you will require either:

- an undergraduate degree or equivalent qualification to the required standard, from a recognised higher education institution in Australia or the international equivalent;
- the equivalent professional work experience.

For degree specific entry requirements, please visit the relevant degree page on our website.

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. Information about additional selection criteria can be found by referring to the relevant degree page on our website.

Australian Year 12 qualifications (Australia and offshore)

If you are completing an Australian Year 12 qualification, in Australia or offshore, the application process you must follow depends on when you expect to complete and receive your results.

For students completing in May/June, you must apply for Semester 2 via [StudyLink](#).

For students completing in December, you must apply through the South Australian Tertiary Admissions Centre (SATAC). Specific application open and closing dates are available at satac.edu.au

Selection rank (ATAR plus adjustment factors)

Entry is determined by a Selection Rank score, which is your Australian Tertiary Admissions Rank (ATAR), including any adjustment factors.

Adjustment factors are automatically processed by SATAC and based on any eligible subjects you passed in Year 12. This means you may be awarded additional points for eligible subjects under the South Australian Universities Equity Scheme and the Language, Literacy and Mathematics Scheme. Please visit the SATAC website for more details: satac.edu.au/adjustment-factors

It is important to note that some degrees take additional factors into account as well as or instead of your ATAR, such as auditions and Teaching Capabilities Statements (TCS).

Guaranteed Entry

Guaranteed Entry gives you certainty when applying to study at Adelaide University using your ATAR. Most of our undergraduate degrees have a fixed entry selection rank (including adjustment factors), which means if you achieve that selection rank or higher, and meet any additional admissions criteria such as subject prerequisites, you are guaranteed entry into that degree.

Grade-based entry

If you have completed your SACE and achieved an ATAR, you may also be eligible for entry into some of our most popular degrees based on your grades in selected Year 12 subjects. You do not need to apply to be considered for grade-based entry, as this will automatically be done by SATAC on behalf of Adelaide University.

English language requirements for international students

If you are completing an Australian Year 12 program, you are required to achieve a Pass grade or above in one of the approved English as a Second Language or English language subjects. If you attempt but do not pass the English language subject, then alternative options, such as an acceptable English language proficiency test result, may be required. Successful completion of the International Baccalaureate (IB) diploma undertaken in English meets the English language requirements of Adelaide University. However, English language entry requirements are degree specific, and some degrees have higher English language requirements. This means the exact requirement will depend upon the degree you are applying to. Please visit the relevant degree page on our website for more information.

Genuine Student (GS) requirement

The Genuine Student requirement is an Australian Government integrity measure that applies to all student visa applicants. It considers whether the individual circumstances of a student indicate that their intention is to stay in Australia specifically for study. All applicants for a student visa must be a genuine applicant for entry. Visit our website for further details.

Financial capacity requirement

The Australian Government must also be satisfied that you are able to financially support yourself and your accompanying family (if you have dependants) while you are studying. This means that you must be able to meet the cost of tuition fees, travel and your living expenses for the duration of your stay in Australia, and that you understand that you will not be able to ask the University to waive your tuition fees, or pay any of your costs while you are living in Australia.

Key

Campuses	Start dates
AC Adelaide City	Feb Semester 1 (February)
M Magill	Mar Term 1 (March)
ML Mawson Lakes	Jun Term 2 (June)
RW Roseworthy	Jul Semester 2 (July)
WT Waite	Aug Term 3 (August)
	Nov Term 4 (November)

Symbols

^Q Quota applies

¹ This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study

^A Indicative annual fees: Published fees are for international students starting in 2026. 2027 fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.

⁺ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.

^{*} Some or all classes are delivered at the Rising Sun Pictures Studios in Adelaide. Please refer to the degree page for further details.

^{*} July start date may be available to international students with credit on a case-by-case basis.

Academic International English Language Testing System (IELTS) scores

~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

/ 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking

> 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

\ 7.0 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

◇ 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

ˆ 7.5 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

< 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge

Note 1 SACE Stage 2 Mathematical Methods (or equivalent)

Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).

Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).

Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.

Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)

Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)

Note 8 High proficiency in written and spoken English

Note 9 SACE Stage 2 Biology and Physics (or equivalent)

Note 10 SACE Stage 2 Biology or equivalent

Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Note 15 Prospective students should have entry level skills/knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/knowledge in Creature Effects, or broad entry level skills/knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND

- a minimum of 3 years of full-time (or equivalent) professional experience.

^q Quota applies

^r This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study

^a Indicative annual fees: Published fees are for international students starting in 2026. 2027 fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.

⁺ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.

Start dates

⁺ Some or all classes are delivered at the Rising Sun Pictures Studios in Adelaide. Please refer to the degree page for further details.

^{*} July start date may be available to international students with credit on a case-by-case basis.

Academic International English Language Testing System (IELTS) scores

~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

/ 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking

> 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

\ 7.0 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

ˆ 7.5 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

< 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge

Note 1 SACE Stage 2 Mathematical Methods (or equivalent)

Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).

Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).

Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.

Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)

Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)

Note 8 High proficiency in written and spoken English

Note 9 SACE Stage 2 Biology and Physics (or equivalent)

Note 10 SACE Stage 2 Biology or equivalent

Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Note 15 Prospective students should have entry level skills/knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/knowledge in Creature Effects, or broad entry level skills/knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND
- a minimum of 3 years of full-time (or equivalent) professional experience.

^{*} July start date may be available to international students with credit on a case-by-case basis.

Academic International English Language Testing System (IELTS) scores

~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

/ 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking

> 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

\ 7.0 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

◊ 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

˘ 7.5 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

< 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge

Note 1 SACE Stage 2 Mathematical Methods (or equivalent)

Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).

Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).

Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.

Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)

Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)

Note 8 High proficiency in written and spoken English

Note 9 SACE Stage 2 Biology and Physics (or equivalent)

Note 10 SACE Stage 2 Biology or equivalent

Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Note 15 Prospective students should have entry level skills/knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/knowledge in Creature Effects, or broad entry level skills/knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND

- a minimum of 3 years of full-time (or equivalent) professional experience.

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Note 15 Prospective students should have entry level skills/knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/knowledge in Creature Effects, or broad entry level skills/knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND

- a minimum of 3 years of full-time (or equivalent) professional experience.

◊ Quota applies

¹ This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study

^a Indicative annual fees: Published fees are for international students starting in 2026. 2027 fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.

⁺ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.

Start dates

^{*} Some or all classes are delivered at the Rising Sun Pictures Studios in Adelaide. Please refer to the degree page for further details.

^{*} July start date may be available to international students with credit on a case-by-case basis.

Academic International English Language Testing System (IELTS) scores

~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

/ 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking

> 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

\ 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

◊ 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

ˆ 7.5 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

< 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge

Note 1 SACE Stage 2 Mathematical Methods (or equivalent)

Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).

Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).

Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.

Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)

Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)

Note 8 High proficiency in written and spoken English

Note 9 SACE Stage 2 Biology and Physics (or equivalent)

Note 10 SACE Stage 2 Biology or equivalent

Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Note 15 Prospective students should have entry level skills/knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/knowledge in Creature Effects, or broad entry level skills/knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND

- a minimum of 3 years of full-time (or equivalent) professional experience.

Prerequisites and Assumed knowledge

Note 1 SACE Stage 2 Mathematical Methods (or equivalent)

Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).

Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).

Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.

Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)

Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)

Note 8 High proficiency in written and spoken English

Note 9 SACE Stage 2 Biology and Physics (or equivalent)

Note 10 SACE Stage 2 Biology or equivalent

Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Note 15 Prospective students should have entry level skills/knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/knowledge in Creature Effects, or broad entry level skills/knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND

- a minimum of 3 years of full-time (or equivalent) professional experience.

^Q Quota applies

[†] This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study

[^] Indicative annual fees: Published fees are for international students starting in 2026. 2027 fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.

⁺ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.

^{*} Some or all classes are delivered at the Rising Sun Pictures Studios in Adelaide. Please refer to the degree page for further details.

^{*} July start date may be available to international students with credit on a case-by-case basis.

Academic International English Language Testing System (IELTS) scores

~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

/ 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking

> 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

\ 7.0 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

ˆ 7.5 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

< 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge

Note 1 SACE Stage 2 Mathematical Methods (or equivalent)

Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).

Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).

Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.

Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)

Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)

Note 8 High proficiency in written and spoken English

Note 9 SACE Stage 2 Biology and Physics (or equivalent)

Note 10 SACE Stage 2 Biology or equivalent

Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Note 15 Prospective students should have entry level skills/knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/knowledge in Creature Effects, or broad entry level skills/knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND

- a minimum of 3 years of full-time (or equivalent) professional experience.

- < 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge

- Note 1** SACE Stage 2 Mathematical Methods (or equivalent)
- Note 2** Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).
- Note 3** Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).
- Note 4** Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).
- Note 5** Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.
- Note 6** SACE Stage 2 Biology, Chemistry or Physics (or equivalent)
- Note 7** SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)
- Note 8** High proficiency in written and spoken English
- Note 9** SACE Stage 2 Biology and Physics (or equivalent)
- Note 10** SACE Stage 2 Biology or equivalent
- Note 11** SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Note 15 Prospective students should have entry level skills/knowledge in composing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/knowledge in Creature Effects, or broad entry level skills/knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND
- a minimum of 3 years of full-time (or equivalent) professional experience.

- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Prerequisites and Assumed knowledge

Note 1 SACE Stage 2 Mathematical Methods (or equivalent)

Note 2 Any one of SACE Stage 2 Chemistry, Mathematical Methods, Specialist Mathematics, or Physics (or equivalent); PLUS Any one additional subject chosen from SACE Stage 2 Biology, Earth and Environmental Science, Chemistry, or Physics (or equivalent).

Note 3 Any one of SACE Stage 2 Physics, Biology or Chemistry (or equivalent).

Note 4 Any one of SACE Stage 2 Biology or Chemistry or Mathematical Methods (or equivalent).

Note 5 Any 20-credit SACE Stage 2 Tertiary Admission Subject from the Mathematics or Science Learning Areas.

Note 6 SACE Stage 2 Biology, Chemistry or Physics (or equivalent)

Note 7 SACE Stage 2 Chemistry and Mathematical Methods (or equivalent)

Note 8 High proficiency in written and spoken English

Note 9 SACE Stage 2 Biology and Physics (or equivalent)

Note 10 SACE Stage 2 Biology or equivalent

Note 11 SACE Stage 2 Chemistry and Mathematical Methods IB (or equivalent)

Note 12 Entry to the Doctor of Veterinary Medicine requires successful completion of the Bachelor of Science (Veterinary Bioscience) at either the University of Adelaide or Adelaide University.

Note 13 Applicants are required to provide evidence of satisfactory completion of prerequisite courses in the last 10 years in the following content areas:

- 0.125 EFTSL Statistics and Research Methods; AND
- 0.250 EFTSL Human Anatomy; AND
- 0.250 EFTSL Human Physiology

Note 14 Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Note 15 Prospective students should have entry level skills/knowledge in compositing and tracking, or broad entry level skills/knowledge in visual effects.

Note 16 Prospective students should have entry level skills/knowledge in Creature Effects, or broad entry level skills/knowledge in visual effects.

Note 17 Knowledge of mathematics is a good background for many courses in this program.

Note 18 Equivalent of first year university mathematics.

Note 19 Assumed knowledge in the Australian Curriculum subject areas used for entry to the program is required.

Note 20 All applicants are required to register for an audition for each major, regardless of the number or type of music programs they are applying for. Selection will be based on audition score as long as academic thresholds are met.

Note 21 Entry to the Doctor of Medicine requires successful completion of the Bachelor of Medical Studies at either the University of Adelaide or Adelaide University.

Note 22 All applicants must submit a portfolio of work, curriculum vitae and a written statement of intent.

Note 23 All applicants must submit a design portfolio of their own creative works, showing design skills, knowledge and familiarity with a range of design tools and media.

Note 24 Applicants must have:

- a completed bachelor (AQF level 7) or bachelor honours (AQF level 8) degree or equivalent from a recognised higher education institution; AND

- a minimum of 3 years of full-time (or equivalent) professional experience.

2027 Postgraduate degrees

	Program Code	CRICOS Code	Campus	Duration (years)	Intake 2026	2026 indicative annual fees [^]	Compulsory Work Integrated Learning	Prerequisites	Assumed knowledge	IELTS
DEGREE BY STUDY AREAS										
PROPERTY, CONSTRUCTION AND REAL ESTATE										
Master of Construction Management	MACON	115902F	AC	2	Feb, Jul	\$50,500	N			6.5 (6.0) [~]
Master of Urban and Regional Planning	MAURP	115966A	AC	2	Feb, Jul	\$50,500	Y			6.5 (6.0) [~]
PSYCHOLOGY AND SOCIAL WORK										
Master of Counselling and Psychotherapy	MACOP	115903E	AC	2	Feb	\$46,700	N			7.0 (7.0) [°]
Master of Psychology (Clinical) [°]	MAPSC	115953F	AC, M ¹	2	Feb	\$52,200	Y			7.0 (7.0) [°]
Master of Psychology (Health) [°]	MAPSH	115954E	AC, M ¹	2	Feb	\$52,200	Y			7.0 (7.0) [°]
Master of Psychology (Organisational and Human Factors) [°]	MAPSO	115955D	AC, M ¹	2	Feb	\$52,200	Y			7.0 (7.0) [°]

Master of Teaching (Secondary)	MATSE	115963D	AC, ML ¹	2	Feb	\$43,400	Y		See Note 19	7.0 (7.0) [°]
TOURISM, SPORT AND EVENTS										
Master of Tourism, Events and Hospitality Management	MATEH	115965B	AC	2	Feb, Jul	\$50,500	Y			6.5 (6.0) [~]

Key

Campuses	Start dates
AC Adelaide City	Feb Semester 1 (February)
M Magill	Mar Term 1 (March)
ML Mawson Lakes	Jun Term 2 (June)
RW Roseworthy	Jul Semester 2 (July)
WT Waite	Aug Term 3 (August)
	Nov Term 4 (November)

Symbols

[°] Quota applies.

¹ This program is taught across multiple campuses and students may be required to study at more than one campus in order to complete the degree. For details of campuses you will be studying at, refer to the degree page at adelaide.edu.au/study

[^] Indicative annual fees: Published fees are for international students starting in 2026. 2027 fees will be available on the degree pages at adelaide.edu.au/study prior to the intake commencement date. Fees are based on the total number of units studied in this program on a full-time annual basis. Adelaide University also accepts applications for programs commencing after the advertised year. Tuition fees for these later years are likely to be higher.

+ Some or all classes are delivered at Flight Training Adelaide (FTA). Please refer to the degree page for further details.

* Some or all classes are delivered at the Rising Sun Pictures Studios in Adelaide. Please refer to the degree page for further details.

[°] July start date may be available to international students with credit on a case-by-case basis.

Academic International English Language Testing System (IELTS) scores

~ 6.5 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

/ 6.5 Overall with a 6.0 in Reading, 6.5 in Writing, 6.0 in Listening and 6.5 in Speaking

> 6.5 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

\ 7.0 Overall with a 6.0 across all individual bands (Reading, Writing, Listening, Speaking)

o 7.0 Overall with a 6.5 across all individual bands (Reading, Writing, Listening, Speaking)

◇ 7.0 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

ˆ 7.5 Overall with a 7.0 across all individual bands (Reading, Writing, Listening, Speaking)

< 8.0 Overall with an 8.0 across all individual bands (Reading, Writing, Listening, Speaking)

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.

- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study
