Tirkangkaku - Place of Learning

Tirkangkaku is the Aboriginal name bestowed upon Adelaide University by the Kaurna People.

Tirkangkaku means "Place of Learning" and is a gift representing 65,000 years of continuous discovery.

In Kaurna culture, learning is never passive – it's active and transformative.

Tirkangkaku is a place where all knowledge systems can come together and learn from each other. A place where the world's oldest living culture shapes cutting-edge discovery.

A place where we are creating the future, while honouring the past.

Academic entry requirements

Discover the essential information you need to know about our entry requirements, how to apply and the scholarships on offer.

Please note these provide a general guide only and should be read in conjunction with the specific entry requirement information for the relevant degree page on our website at: adelaide.edu.au/study

Undergraduate degrees

For entry into undergraduate degrees, you will require either:

- an Australian Year 12 or equivalent international program;
- a recognised Foundation Studies program;
- a Kaplan International College Adelaide, Eynesbury, TAFE SA or other recognised tertiary pathway program.

For degree specific entry requirements, please visit the relevant degree page on our website.

Postgraduate degrees

For entry into postgraduate degrees, you will require either:

- an undergraduate degree or equivalent qualification to the required standard, from a recognised higher education institution in Australia or the international equivalent;
- the equivalent professional work experience.

For degree specific entry requirements, please visit the relevant degree page on our website.

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. Information about additional selection criteria can be found by referring to the relevant degree page on our website.

Australian Year 12 qualifications (Australia and offshore)

If you are completing an Australian Year 12 qualification, in Australia or offshore, the application process you must follow depends on when you expect to complete and receive your results.

For students completing in May/June, you must apply for Semester 2 via [StudyLink](#).

For students completing in December, you must apply through the South Australian Tertiary Admissions Centre (SATAC). Specific application open and closing dates are available at [satac.edu.au](#)

English requirements

International students from non-English speaking backgrounds must meet Adelaide University's minimum English language requirements to be admitted to a degree. You can demonstrate your level of English language proficiency by providing the results of an accepted English language test (e.g. IELTS, TOEFL, PTE) taken within the last two years prior to admission or an approved alternative.

English language entry requirements are specific to the degree you choose, and some degrees have higher English language requirements.

This means the exact level of English language proficiency will depend upon the degree you are applying to. Adelaide University degree pages list an English language requirement for admission. Please visit the relevant degree page on our website for more information.

adelaide.edu.au/study/international-students/how-to-apply/entry-requirements/

English Language Pathway - English Language Centre (ELC)

Adelaide University's English Language Centre (ELC) provides English language pathways to Adelaide University for students who do not meet the English language requirement for direct entry. ELC also offers a range of General English language programs, as well as short courses for international students and visiting groups.

Academic English Pathway: Pre-enrolment English Program

The Pre-enrolment English Program (PEP) is an academic English pathway for students who have not met their degree's minimum English language entry requirements. This is a direct-entry pathway into most degrees at Adelaide University. The length of the program depends on the applicant's English proficiency test score.

Students who successfully complete PEP at the required level do not need to sit another English test before entering their University degree. The PEP is offered in lengths of 10, 15, 20, 25, 30 and 35 weeks. For more information on PEP, visit: adelaide.edu.au/elc

Genuine Student (GS) requirement

The Genuine Student requirement is an Australian Government integrity measure that applies to all student visa applicants. It considers whether the individual circumstances of a student indicate that their intention is to stay in Australia specifically for study. All applicants for a student visa must be a genuine applicant for entry. Visit our website for further details.

Financial capacity requirement

The Australian Government must also be satisfied that you are able to financially support yourself and your accompanying family (if you have dependants) while you are studying. This means that you must be able to meet the cost of tuition fees, travel and your living expenses for the duration of your stay in Australia, and that you understand that you will not be able to ask the University to waive your tuition fees, or pay any of your costs while you are living in Australia.

For more details on how to apply as international student, please visit adelaide.edu.au/study/international-students/how-to-apply/entry-requirements/

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.

- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.

- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.

- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study

Important information

Adelaide University reserves the right to change or amend any of the information in this table, at any time and without notice. Please confirm any information about programs, courses, units of study or fees with Adelaide University before relying on it.

Non-tuition fees

In addition to your tuition fees, you may incur incidental costs throughout your studies. Some fees may be specific to the degree you choose to study; others are common to all Adelaide University degrees. A list of the estimated non-tuition fees you may incur during your program can be found at: adelaide.edu.au/study/how-to-apply/entry-requirements/non-tuition-fees

Additional selection criteria

For some degrees, other selection criteria are considered in addition to academic qualifications. For example:

- Music degrees require applicants to undertake an audition.
- Medicine, dentistry and oral health applicants are required to undertake a University Clinical Aptitude Test (UCAT) and—if eligible—attend an interview.

Information about additional selection criteria can be found by visiting the relevant degree page on our website at: adelaide.edu.au/study
