

UniSA Alumni Email for Life

What it is

University of South Australia (UniSA) Email for Life allows eligible UniSA graduates to retain access to their UniSA student mailbox and email address indefinitely after graduation.

Who is eligible

- Graduates who completed a Bachelor, Master, or Doctorate at UniSA
- Graduation date between 1 January 2010 and 31 March 2026
- Not available to staff, short-course students or those who studied via OUA, CELUSA, or SAIBT

How to access the email

- Email is accessed via the Microsoft sign-in page using the UniSA email address, and users will be prompted to authenticate via UniSA Okta
- Users can redirect emails to a personal email account if preferred
- Passwords can be managed via the self-service Change Password page

IT support provided

- IT are the owners of the Microsoft License
- Support for password changes and access issues is available through the Technology Service Desk
- If the user has an AU account, requests can be logged via the Services Hub otherwise phone (08) 8302 5000

Other key points

- Alumni mailboxes have a 50 GB storage limit (set by Microsoft and cannot be increased). The Alumni entitlement does not include a OneDrive storage provision.
- If a UniSA alum commences studies with Adelaide University, the UniSA Alumni mailbox will remain as a separate mailbox and its content will not be merged into the student's Adelaide University mailbox.
