

MOUNT BARKER.

13th March

Dear Estelle

I sent my telegram today,

before I opened my newspaper

I see the notice in the advertiser,

so I troubles you unnecessarily.

MOUNT BAKER

It is my own fault, ..
 not making my report
 at the meeting
 so harm is done,
 only I am a little
 tired of these laudatory
 notices.

There seems me
 immediately in letting
 your good deeds

be known of men
 apologizing for
 troubling you.
 Yours truly
 R. B. Smith
