

Abstracts for Posters

The Mycology Masterclass is held every 2 years and is internationally recognised as a valuable and prestigious advanced training program in medical mycology. It attracts significant demand for places and will once again reflect current clinical and laboratory practice with a program of lectures and problem-based learning exercises. The program has been formulated by ANZMIG and is a consensus of the most topical issues in mycology selected by the key Australasian opinion leaders in this field.

The Mycology Masterclass will incorporate a poster display and viewing session. Posters will be displayed from Thursday morning until Saturday afternoon. A poster viewing session will be held on Thursday evening from 6:30-8:30pm and authors will be required at their posters during this time. Posters that feature interesting or unusual fungal cases and/or trainee research projects are encouraged on all topics that reflect the interests of ANZMIG.

Posters will be judged during the viewing session and a \$500 prize will be awarded for the best poster.

Poster Abstract Guidelines

1. Abstracts must be no more than **250 words**.
2. Abstracts should not contain references, figures or tables.
3. Please submit a Word document using Arial font size 12. The title is to be left-aligned, each word in Upper and Lower Case followed by double spacing, then author/s name/s in upper and lower case. Use numbered superscripts for authors' institutional affiliations and list each author's affiliation and city below the names. The name of the presenting author must be underlined:
 - a) Title (Left aligned, Upper and Lower Case - not all caps)
 - b) Surname, first name ¹, Surname, first name ¹, Surname, first name ²
 - c) 1 Organisation, City (one line per affiliation)
 - d) Content – no more than 250 words
 - e) Footer: Include submitting author name, email and contact phone number (this information will not be published)

4. Include a statement on ethical compliance as appropriate, which is not included in the word limit.
5. Do not use different fonts, italics, underlining, bold text or symbols except where specified in these instructions, and italics for scientific names where appropriate.
6. All abstracts will be printed as submitted, so should be thoroughly checked for spelling and grammar before submitting.

Abstract Submission

1. Abstracts are to be submitted by email (as a Word attachment) to Lesley Woods, **mycologymc@outlook.com**
2. Name the e-mail attachment as follows: Presenting author's Surname_Initial.doc e.g. Citizen_J.doc
3. If you are the presenting author on more than one abstract, please number the e-mail file as follows: Citizen_J_1.doc, Citizen_J_2.doc
4. Abstracts **MUST** be received by close of business **Friday 30th May 2025**. You will be emailed an acknowledgment of receipt.
5. By submitting an abstract the author is giving permission for their abstract to be published in the Mycology Masterclass online booklet.

Notification of Acceptance

In order to be accepted, the presenting author **MUST** have registered to attend the Mycology Masterclass. Please note that there are only 100 places available and these fill up quickly.

Authors will be advised by **Monday 30th June 2025** whether their abstracts have been accepted.

Accepted abstracts will be published in the online MMCXI booklet and made available to delegates.

Abstracts will not be published if the presenting author has not registered.

Registration opens: Monday 7th April 2025
