Social media post about Micro-credentials for Classroom Confidence:

Free professional development for Australia-based school educators!

The Micro-credentials for Classroom Confidence have been funded by the Australian Government Department of Education, and are designed to help you:

 Upskill quickly

 Meet your professional development requirements; and

 Transform your teaching

Delivered 100% online, the micro-credentials are available on the topics of classroom management, explicit teaching, and teaching phonics.

Enrolments are now open for the classroom management micro-credential. Visit the website to find out more and register your interest to enrol: <https://www.adelaide.edu.au/pace/short-courses-individuals/micro-credentials/micro-credentials-for-classroom-confidence>

Social media post about Classroom Management Micro-Credential:

 Have you enrolled in the free, online classroom management micro-credential yet?

Offered as part of the Australian Government's 'Micro-credentials for Classroom Confidence' series, completing this micro-credential can count towards the annual 20-hour professional learning requirement for maintaining your teacher registration.

 Visit the website to find out more and register your interest to enrol: <https://www.adelaide.edu.au/pace/short-courses-individuals/micro-credentials/micro-credentials-for-classroom-confidence>
