

# Health Consumer & Community Consultation into Early Pregnancy Loss

## Have your say

If you or your partner have experienced miscarriages or early pregnancy losses and want to assist medical research, join us for a workshop to meet researchers to discuss their research on the metabolic, immune and other biological factors associated with early pregnancy loss.

## What does it involve?

- Attend a workshop on **Friday, 9 August 2024, 10am - 4pm**, in Adelaide for face-to-face engagement with researchers
- Provide input into priorities for research into miscarriages and early pregnancy loss

## Contact

To express your interest in this workshop and for more details, email [pallave.dasari@adelaide.edu.au](mailto:pallave.dasari@adelaide.edu.au)

Participants will be reimbursed for their time.
