

List of Investigators for research funded by the U.S. National Institute of Health (NIH)

Complete this form if you are a UoA Principal Investigator applying for NIH funding either as Prime Awardee or Sub-Awardee.

In accordance with the U.S. regulations, Investigator is defined as: *“the project director or principal investigator AND any other person, regardless of title or position, who is **responsible for the design, conduct or reporting of research** funded, or proposed for such funding, which may also include, for example, collaborators and consultants.”*

If UoA is the Prime Awardee, this list is to include all UoA Investigators, as well as External Investigators (non-funded) and Sub-Recipient Investigators (subject to a sub-award agreement).

<p>If UoA is a Sub-Awardee, this list is to include all UoA Investigators, as well as any External Investigators (non-funded) who are participating on the UoA sub-award portion of the grant.</p>
