

Variation to Program Rules

Students who wish to have a course(s), that is not listed on the study plan or [Academic Program Rules](#), counted toward their degree should use this form to gain the necessary approval.

For example; students who have internally transferred into a new program or students who need to complete an alternative course for a specific reason.

Variations to program rules are only approved in exceptional circumstances.

Students need to fill out this form and forward it to the [Program Director](#) of the degree they are currently studying.

The completed, signed, form must be sent through to askset@adelaide.edu.au.

This form is not to be used when applying for credit for studies completed at another institution. Please refer to the [credit application process](#).

Student Details

Student ID	Given Name	Family Name
Degree	Major (if applic.)	

Please provide a brief explanation for the basis of your request.

Course Equivalencies
