

Introduction

This guide will assist you in clearing your cache, cookies and temporary internet files from Mozilla Firefox. Please be warned that this will clear any active logins to website and saved passwords. This process cannot be undone.

Procedure

- 1. Click the Library button III , then click O History and then Clear Recent History...
- 2. Click the drop-down menu next to 'Time range' to clear to choose how much of your history Firefox will clear.

Clear Recent History
Time range to clear: Last Hour
History
✓ Browsing & Download History ✓ Cookies
